

## Spring4th Center – Beverage Options

Our standard policy is that beverages are served in cans or disposable plastic containers. Exceptions may be made for certain events, but you will be responsible for the rental of glassware for the event, and any special orders (such as bottles of beer, instead of cans) may require additional fees.

We offer three beverage options for events where alcohol will be served in Spring4th Center (main facility)—cash bar, hosted bar by the drink, and hosted bar by the hour.

### **Cash Bar**

Alcoholic and non-alcoholic beverages are available for sale to your guests, at prices set by Spring4th Center. Our typical beverage options for a cash bar are shown on the next page. Prices include all sales tax. **There are no additional charges for bar staff, sales tax, setup or service charges.** Our policy is to allow Spring4th staff to accept gratuities if a cash bar is selected.

Variations on a full cash bar may include drink tickets, discounted beverages (for all guests or for select staff, etc.) or free beverages for select persons (e.g., staff, talent, special guests).

We will provide your staff with a 50% discount on bottled water and sodas, at no cost to you.

### **Hosted Bar ("Open Bar") – By the Drink (based on actual amounts served)**

Under this option, we will offer either our standard cash bar beverage options or a more limited selection at your request. No gratuities will be accepted by Spring4th staff.

You will be responsible for payment at the end of the event for all beverages served, based on the cash bar prices (which include applicable taxes).

In addition to the price of the beverages, there is a service charge equal to 25% of the cash bar price. The minimum service charge is \$25 per hour. The service charge is inclusive of applicable 8% sales tax.

For example, for a 3 hour event with a total bar bill of \$800, the service charge will be 25% x \$800 = \$200.

For a 3 hour event with a total bar bill of \$200, the preliminary service charge is \$50 (25% x 200), but it is subject to a minimum service charge of \$75 (\$25 x 3 hours).

If a beverage minimum is applicable to your event, the service charge is not counted when determining if you have met the beverage minimum.

### **Hosted Bar – By the Hour**

Under this option, we will charge you a flat rate per person (2 hour minimum; 25 person minimum). The price will depend on the beverages offered. **There are no additional charges for bar staff, sales tax, setup or service charges.**

	Non-Alcoholic Beverages*	Beer & Wine Only	Beer, Wine and House Brand Liquor	Full Bar
First 2 hours	\$4	\$12	\$12	\$18
Each additional 1/2 hour	\$1	\$2	\$2	\$3

\*Does not include Red Bull. Rates also apply for guests under age 21 when an alcoholic beverage package is chosen.

## **Spring4th Center – Beverage Options** (continued)

All options above include beverages from our standard Cash Bar selections. If you have special requests, let us know and we will provide you with a custom package.

The rate is based on the number of people in attendance.

### ***Special Orders & Theme Beverages***

If your event will have a cash bar, we will take into consideration any special requests that you may have but cannot guarantee that your option will be available unless you elect to pay for the special-ordered beverages in advance. If your event has a specific theme, we can design special beverages to coordinate with your theme, at different price levels.

For a hosted bar or cash bar, specialty menus and custom serving options can be arranged. Examples include specialty martinis, margaritas, champagne passing, premium wines, bottle service, punches, absinthe experience parties, etc. Custom pricing will apply.

If your event has a hosted bar, we can special order wine, beer (including kegs) and liquor for your event. We will provide you with a fee quote in advance for your special order, which will be based on the price charged by a licensed wholesaler plus a handling fee. Unused amounts (whether opened or not) cannot be removed from the premises and cannot be returned to the distributor.

### ***Advance Deposits and Beverage Minimums***

For hosted bar events and for certain cash bar events with a beverage minimum, advance deposits may be required. In these situations, the details will be included in your contract.

If your event is subject to a beverage minimum, you will be responsible for payment at the end of the event of any shortfall. For example, if the beverage minimum is \$1,500, and sales of all beverages are \$1,300, you will be responsible for payment of an additional \$200.

### **Beverage Options – Small Events in Spring4th Center (Main Facility)**

For events with less than 50 persons in attendance (or for other events, at our discretion), we may offer you non-alcoholic beverages/snacks on a self-serve basis at a discount from our regular prices (50% discount on bottled water and sodas). You will be responsible at the end of the event for full payment of all beverages (or snack items) consumed by attendees at your event.
